**JERSEY– Friday Evening 28th June 2013**

**GOING : GOOD / GOOD TO FIRM**

**Non-Runners - LANDOLINO - See Stewards Report Below**  
**- COUNTRY BLUE - Vets Certificate**

At 5.50pm Stewards, Trainers, Clerk of the Course and the President of the Jersey Race Club were invited to the Stewards Room to discuss the foggy weather conditions and the impact that might have on that night's racing. Trainers reported that the majority of jockeys were stuck in the United Kingdom and were due land at approximately 1830 assuming the fog lifted. The Stewards Secretary reported that there was possibly enough jockeys to stage the flat races but not enough qualified for the hurdles race. Mrs. J. Le Brocq trainer of **LANDOLINO** without her booked jockey Mr. A. Proctor requested that her horse be withdrawn, the Stewards accepted this. There was some debate as to the running order to accommodate the late arriving riders but sadly this had to be abandoned due to technical issues with the tote. The Clerk of the Course and the Stewards Secretary agreed that current visibility was sufficient for racing however any deterioration and racing would have to be suspended.

It was brought to the Stewards Secretary's attention that once again **FRANKKIE M** running in the second race had not been given a weight-for-age allowance. The Stewards considered this and deducted 9lbs as per guidelines for a 3 year old running at the end of May. The Clerk of the Scales was duly informed.

After the running of the first race and following a discussion with the Veterinary Officer about the race conditions, the Stewards instigated a follow car to contain a Veterinary Officer, a Medical Officer and a Steward. The Stewards also inspected the course prior to the running of the second race.

At approximately 6.50pm delayed jockeys arrived, this coincided with a lifting of the fog at the course. The start of the second race was therefore delayed by 5 minutes to allow jockeys to prepare.

Following the running of the second race it was reported by the jockey Mr. M. Batchelor that **SPANISH BOUNTY**, trained by Mrs. A. Malzard had pulled up lame, upon inspection by the Veterinary Officer it was discovered the horse had lost a shoe.

Mrs A. Corson, trainer of **REBEL WOMAN** running in the fourth race requested that the horse be allowed to go post early, the Stewards granted this request.

After the running of the fourth race the Stewards interviewed Mr. T Clark, who had ridden the winning horse **LADY PETRUS** about the usage of his whip in the forehand position. The Stewards warned the jockey that if he was to appear before them again this season he would be subject to a severe penalty.
