The Stewards Secretary reported that the results for **WICKED TARA** tested on 7th July 2014 had come back negative.

Mrs A. Corson, trainer of **ATHANIA** running in the first, and **REBEL WOMAN**, running in the fourth, along with Mrs A. Malzard, trainer of **REACH OUT**, running in the first, **COPPER FALLS** running in the second, **ROSSETTI** running in the third and **JACKPOT** running in the fourth, requested that their horses be allowed to go post early and be led in, if so required. The Stewards considered the requests and duly granted them. The Stewards Secretary informed the Starter. **ROSSETTI** was also given permission to not parade before the Judge.

The Stewards interviewed the trainer Mr Karl Kukk after the running of the first race with regards to the entry of **HERBALIST**, running in the fourth. Mr Kukk satisfied the Stewards that the entry was correct and that a change of ownership of the horse had yet to take place. Mr Kukk will take charge of the horse after the running of the race and had perhaps got ahead of himself when offering shares in it before it had come under his possession. No further action was taken.

The Medical Officer reported that Josh Baudains had suffered a mild concussion following his unseating from **ATHANIA**, during the first race, and would not be allowed to ride for the rest of the day. He remained under supervision, on course, until the Medical Officers were satisfied that he had recovered sufficiently to be discharged.

Following the running of the second the Stewards were concerned as to a wield mark on **CHESTER'SLITTLE GEM**, ridden by Mr P Prince and trained by Mrs A Corson. The Veterinary Officer reported that there was a scab from a previous (non-race related) abrasion and nothing else of note. The Stewards therefore took no further action.

The Stewards were told by the trainer Mrs A Malzard after the running of the second race that **COPPER FALLS** had been retired.

Following the running of the third race the Stewards interviewed Mr M Quinlan, rider of **MIDNIGHT SEQUEL** placed second and Mr M Batchelor, rider of **I'M HARRY** placed third. They reported that **ROSETTI** ridden by Mr C Walker placed first, had gone off at a fast pace and despite best efforts of the chasing pack to quicken in the final furlongs they could not catch him.

Following the running of the fourth race the Stewards interviewed Mr D Bass rider of **HERBALIST**, placed second as to his whip count. Following a viewing of the tape they warned the jockey should he appear before the Stewards again this season he will be subject to a fine. The Veterinary Officer reported that the horse was unmarked.

Following the running of the fifth race, the Stewards interviewed the owner and trainers representative of **TRANSLUSCENT** and trainers representative of **RIVER DU NORD**, Mr D Gardner and reminded him that in the Channel Islands horses had to be in the parade ring 15 minutes before the start time. Mr Gardner offered his apologies and explained there was a mix-up with a tongue tie, the Stewards accepted this and took no further action.
