JERSEY – Easter Monday 25th April 2011
GOING : GOOD to FIRM

Non Runners – Lord of the Wing - Unsuitable going
Nordic Light – Unsuitable going

Before the start of racing Mr A. Le Brocq brought to the attention of the Stewards that **ANNIA GALERIA** running in the third race had never run at Les Landes before and requested that if the horse got nervous could it go to post early. He further requested that **HAMILTON HOUSE** running in the second be allowed to go to post early. The Stewards granted these requests.

Following the running of the fifth race the Stewards interviewed Mr. J.S.O. Arthur trainer of **MAJESTICAL** as to the behaviour of the horse in the Parade Ring and at the Start. Mr. Arthur explained that the horse had got a bit excited by the occasion and had quite possibly been set off by other horses who were also misbehaving in the Parade Ring. The Stewards reminded him that should he have a horse that might be excitable it should be brought to the attention of the Stewards in good time. The Stewards then interviewed Joan Le Brocq trainer of **FINE THE WORLD** as to its behaviour, she explained that the horse had settled over the last season as was at a loss to explain this set back. It was quite possible that the horse was 'ring rusty' and will in future request that the horse be mounted on course. The Stewards reminded her to keep them informed in good time of any requests and to warn them of any problems that may arise.
