JERSEY – Monday 27th August 2012

GOING : GOOD TO FIRM

Non-Runner: SUMBE - Vets Certificate

The Stewards noted that the start of racing was delayed 15 minutes in order to ensure that the assigned Medical Officers arrived on course, having been delayed coming from St. Helier.

Mr A. Le Brocq, trainer of **FINE THE WORLD**, running in the third, and **ANNA GALERIA** running in the second, requested that his horses be led in at the start if needed. He also requested that **ANNA GALERIA** be led to the start without going past the Judge. The Stewards raised no objection to this and the trainer duly informed the Starter.

The Stewards note that for any future seasons that horses being led to the start will have to leave the parade ring early to ensure they reach the starting post at the correct time.

Following the running of the second race the Stewards interviewed the Starter with regard to the false start. The Starter explained that the horses had come under orders and were coming in when he had spotted that the jockey of **ANNA GALERIA**, Tim Clark had lost an iron. He therefore called a false start. The Stewards noted that **KERSIVAY** and **ANNA GALERIA** had not heeded the recall flag and were withdrawn by their respective trainers as they completed the circuit.
