**JERSEY - Sunday 11th August 2013**

**GOING : GOOD / GOOD TO FIRM IN PLACES**

**Non-Runners - ROCK DIAMOND - Awaiting Vets Certificate**

**Senior Steward: Mrs. S. Scrimgeour**

**Stewards: Mr. R. Michel; Mrs. J. Morley-Kirk; Mr. S. Vivian**

**Stewards Secretary: Mr. J. Perrée**

Mrs A. Corson, trainer of **REBEL WOMAN** running in the third race requested that the horse be allowed to go post early. Mr. B. Powell, trainer of **JACKPOT** running in the third race requested that the horse be allowed to be led to the start and be led in if required. Mr. S.J.O. Arthur trainer of **ATHANIA** requested running in the fourth have someone with the horse at the start. The Stewards considered all the requests, however as per Rules the Starter duly granted permissions, with a reminder that any horse that requires to be led in is started from the second row.

The Medical Officer passed Mr. T. Clark fit to ride, as it appeared that he had been involved in an incident leaving him quite visually bruised.

The Stewards noted that **ATHANIA**, trained by Mr. S.J.O. Arthur, running in the fourth had entered the Parade Ring wearing an undeclared blinker. The trainer immediately when queried on this requested that the horse be allowed to go to post with the blinkers, as he had clearly made an error during his declarations. The Stewards considered this and allowed the horse to go to post with blinkers. Following the race the Stewards interviewed the trainer and reminded him of the need for accuracy when completing declarations under Rules.

The Medical Officer passed Mr. D. Cuthbert fit following his fall from **MAJOR MAXIMUS** after the post in the fourth race. A review of the recording of the race showed clearly the jockeys saddle slipping about the furlong marker.

Following the running of the fourth race the Stewards formally informed Mrs. C. Gilbert that the test results from the blood sample taken at the previous meeting for **MAJOR MAXIMUS** had been returned with "No prohibited substances found".
