- Due to an absence from racing on the flat for 5 years and having never shown any worthwhile form during that period, I have used my discretion to adjust Pomander's flat rating from 45 to 35.

(There is no official policy regarding the treatment of horses that have been absent, with each individual case being judged on its merits. The general "convention" is that any horse that has been absent from the Flat will be dropped 3-4lbs from its last published mark for each complete year missed). BHA.

- Informality rated under rule 44 (receives a 9lb weight-for-age allowance).
