

FIVE TO FOLLOW COMPETITION 2016

These are the details for our 'Five to Follow' competition. It is just £5 to enter (or £25 for 6 entries) and the competition lasts all season. You need to pick 5 horses from the list and every time one of them wins they receive points. The list contains all of the locally trained horses this season. The winner of the competition is the person whose 5 horses have accumulated the most points. Usually it goes to the last race of the season to decide the winners! The prize money will depend on the amount of entries received but in the last few years has been £300 to the winner with additional amounts for second, third and fourth places.

Please do support this competition as it is a bit of fun for everyone taking part. Good Luck!
